

Computer Lease Agreement

This Computer Lease program allows a family with at least one full-time student to purchase a new computer at any time during the school year. Families are free to purchase whatever new computer (desktop, laptop, tablet, iPad, etc.) best meets their family's needs and preferences from a retail store. Bring the original receipt for the computer and this *Computer Lease Form* to the CyberLynx site office. CyberLynx will reimburse the family for the computer at the rate \$38 per month for 36 months or until the computer is paid off, whichever comes first. If the student withdraws from the program, computer reimbursement payments will cease, and the computer remains the property of the family. **The reimbursement does not come out of the student's allotment but is a benefit over and above the student's allotment.** Payments are made to the family according to the schedule of disbursements below.

Checks will be prepared on the Wednesday on or after the following dates:
